#### **Best Parliamentary Advice**

- Advice #1 Read your Bylaws, and the Brown Act, before every meeting.
- Advice #2 If the answer is not in your Bylaws or the Brown Act, you will find it easily in Robert's.
- Advice #3 When in doubt for anything at all, read your Bylaws, and the Brown Act, again.

### Order of Business and Minutes

- \* This is Robert's recommendation for an efficient agenda. Customization is expected, especially under the Brown Act. <u>Sample Order of Business</u>

# Origins of a Motion

#### 1. Item on an agenda:

Item is introduced briefly without debate. A motion is proposed.

- New Business (not under the Brown Act): Item is introduced briefly without debate. A motion is proposed.
- **3. Recommendation from a Special Committee:** Anyone may move for or against the recommendation.
- 4. Motion from a Standing Committee:
- 5. Chair Assumes a Motion:

"If there is no objection, ... the motion is adopted."

## Six Steps to Handling a Motion

- If the chair is handling a routine motion, such as adoption of the agenda or the minutes, the 6 formal steps to handling a motion may be replaced with one casual statement: "If there is no objection, the \_\_\_\_ will be adopted."
- If someone objects, the chair must follow the 6 formal steps to handling a motion.
