**CSAP Pacific Area -- July 20, 2013**

1. All participants will receive a card with instructions as indicated on the form below.
2. Their goal is to comply with their assignments, and to not terminate the motion until all 3 members have an opportunity to make 2 motions within 20 minutes. Member A, B, and C must debate at least once in the 20 minutes.
3. The chair receives no card. The Secretary's card only asks for a motion with no specific detail, e.g., "purchase of some IT equipment and some furniture". The secretary has to word the motion because nothing else was included in the instructions.
4. After 20 minutes, the audience will evaluate each participant based on the enclosed form.
5. Each individual will be awarded a maximum of 20 points distributed according to the parentheses. The team earns a maximum of 100 points.
